How to Choose, Start, and Succeed in Your Own Part-Time Business by Dr.Kevin Nunley

Dr. Kevin Nunley

This is a great time to start your own business, even if you have never thought of yourself as an entrepreneur. The economy is getting tighter, may companies are laying people off, and a paycheck doesn't go as far as it used to.

Meanwhile, Internet sales and mail order are booming. We're also seeing record numbers of new home-based businesses starting and succeeding. Getting in on this trend now could be the smartest thing you do in the year ahead.

Here are some common sense tips to help you pick the right business, get off on a good foot, and succeed over the long haul.

Choosing Your Business

One of the reasons a great many businesses fail is the owner jumped off into a field they didn't know much about. Your best bet is to choose a business you have worked in as an employee. Otherwise, plan to spend time researching the topic in libraries and in conversations with people who are already in your chosen industry.

Keep expenses down to a bare minimum in the beginning. More than a few new start-ups blow their cash on a big office, fine furnishings, and new computers. I started my business years ago from a spare bedroom. A writer friend realized her apartment was too small to house her business and rented an unused room in a nearby office.

Plan on running your business part-time for the first year while you keep a regular job. This may seem like the slow way to get your project going, but a regular paycheck will ensure you have plenty of time to give your business its best shot at succeeding. Nothing torpedoes a new business like expecting it to profit huge amounts of cash within the first six months.

The easiest and cheapest business to start is a service you can provide to other businesses. You may need little more than an email address and a telephone number to get the ball rolling.

If you worked in accounts receivable for several years, help businesses outsource their bookkeeping chores. A woman in my town turned her 20 years of office experience into a thriving home-based business by offering to help small businesses straighten out their books. She placed ads in the neighborhood newspaper and arranged to be interviewed for an article.

Continued from previous page...

Internet referral programs and mail order are two industries that are booming, easy to get into, and, while they may not make you rich, are a good way to get started in your own business. Many networking and reseller firms have changed their strategy from "bug your friends" to "network on the Net." These can be great ways to get experience selling established products in an organization set up to encourage home-based business. Look for an opportunity that has been in business for at least three years.

Market in Many Ways

The key to your business success will likely be your ability to market your products and services. Without marketing, nothing sells. It helps if you set up your business from the beginning with marketing in mind.

Your business should give you the opportunity to promote in several ways:

1) Use a web component. The Internet lets you reach thousands of targeted prospects at the cheapest price in advertising history. Put up your own web site. Fill it with good information, answers to the kinds of questions your customers and prospects ask. Build your own opt-in email list to stay in touch with customers. Nothing works as well or as cheaply to build your reputation.

Work to get your site listed on the major search engines. The top 2% of businesses on search engines account for about 90% of the Net's money-making sites. Advertise your business in ezines that reach your best prospects. Some newsletters let you reach tends of thousands of potential customers for \$30 to \$40.

- 2) Your business should also take advantage of face-to-face marketing. When you talk to people in person, it is harder for them to walk away without buying. One man, an excellent sales person who closes more than 90% of all sales, simply strikes up a conversation with people. Near the end of the conversation he will mention his offer. People almost always buy.
- 3) For all that has been said about the Internet, the good old telephone is still the center of our business world. When you spend time talking with someone on the phone, you build a personal bond with them that often leads to a sale.

Before you get on the phone with a prospect or customer, quickly jot down what you hope to accomplish with the call. Don't let more than two or three minutes of conversation go by without making an effort to achieve your goal. This organized approach will help you stay away from long days on the phone without much to show for it.

Be Determined

It doesn't matter what business you are in, there will be days when you feel like you are spinning your wheels. Realize that for every up trend there will eventually be a down trend. When sales are slow or customers are difficult, remind yourself that a turnaround for the best is always just beyond the bend.

Much of business success has to do with simply showing up for work every day. When people see you or hear about you month after month, then year after year, your consistent presence builds customer confidence. Confidence turns into loyalty. Repeat customers and good word of mouth will insure you get repeat sales for as long as you own your business.

MEINTY

My Company Needs Home Based Order Processors Immediately! I'll Pay You BIG MONEY To Use Your Address!

If you process 10 orders at \$15 per order = you earn \$150! If you process 50 orders at \$15 per order = you earn \$750! If you process 100 orders at \$15 per order = you earn \$1,500! If you process 1,000 orders at \$15 per order = you earn \$1,500!

Dear Friend.

You have been selected to participate in this work at home program because I need your help. We want to be #1 in our field and reach as many customers as possible. That's why I'm looking for honest people to work from home as order processors for my company. In return for your help in processing these orders and for the use of your address, you will get to keep \$15 from each and every order you process.

The checks, money orders and each order processing fees will come to your address. All you need to do is process these orders and I will pay you \$15 for each order you process. And since you will be running this operation in your area all of the money orders, checks and coshiers checks will be made out to you. Take this money to your bank and send me the orders. You could easily earn hundreds of thousands of dollars just for opening and taking money out of the many covelopes that will come addressed to you.

As a home based order processor these orders will be addressed in your name and will come directly to your door. You use our simple order procurement suethed to solicit the orders you'll receive. All you need to do is open the letters, keep the allotted processing fee, and then send me the completed forms with the remainder of the money, so I can complete the order. This is all you'll have to do to process these orders. It's that easy.

When you begin as an order processor you will be collecting the cashiers checks, money orders and even cash from each and every envelope that you are sent. As one of my home based order processors you will earn \$15 per order. This is one of the simplest ways to make money at home. I am offering only certain selected individuals like you.

We want to be #1 in our field and we just cannot reach all of the potential customers out there without some help. By following my simple instructions you will simply distribute our offers to the general public and process all the orders that come to you. We do all of the product fulfillment, customer service, and follow up. You have no contact with the public. You simply work behind the scenes processing the orders and handling the money.

you process.

If you have a mailing address or P.O. Box and think you have what it takes to be a home based order processor, then you may be able to participate in this plan. You may think I'm subs, but regardless of what people say or think. I am still going to pay you \$15 for each to your address. All you need to do is process these orders and I order you send me.

and cashiers checks will be made out to you. Take this money to your bank and send me the orders. You could easily care hundreds of thousands of dollars just for opening and taking money out of the many envelopes that will come addressed to you.

These orders will full your mail box, and some of you may just quit your job on the accumulated eagnings you will make by simply my orders at home. But, if that is what I am going to have to do to get the job done, then I will just have to make some capable and honest people rather wealthy. You may think it's a crime to help some deserving people make a lot of money for doing very little. Believe me I know it's mits, but I am still going to do it. This work from home program is literally like getting paid for doing almost nothing.

Just imagine making money 6 days a week. I desperately need participants for this program. There are thousands of individuals and Businesses who could use our product?! And you could make money every time they order one! I am soliciting individuals for this highly profitable work from home program. Because of my announcement of this amazing offer. I am flooded with orders for our product. I need good, honest and capable people to help me out. This is where you come in. If you are the right person, together we will make a lot of money.

It may seem senset to you that I would pay you to work from home processing my orders when I can do it myself. I wish I could do it myself, but I can't. It is much more work than I can handle and this money can be collected in regional areas. I need regional centers all over the country where people can join in on this amazing offer and mail as order processing fee to you. I am not about to open 200 offices.

The expense and over head of doing this is far too great, and it wouldn't make good business sense. I would much rather pay someone \$15 for each order they process. You will be paid \$15 for each order that is delivered to you, and for your efforts in processing the order. That seems fair, doesn't it?

If I take you into my confidence, you may consider yourself body. I will only allow a select few to collect money for me from processing order at home. Like I said before I am desperately looking for bright people that would process orders at home. I have plenty of ratii. I just don't have the time to process it all. If you have a mailing address or P.O. Box, enough brains to send me the forms for order fulfillment, and the ability to take the money out of the envelopes, you are set. There is no opportunity equal to this work at home whopper. It is the greatest way over discovered to make easy legitimate, nimely. Anyone with little education, skills or who is completely broke one make it big using my program. These orders will come to you in envelopes filled with money orders, cashiers and personal checks and even cash. There is no easier way to make so much money, so quickly.

And it's only open to hard working, banest individuals. You can be that person. If you are that person, this could be the best day of your life. If you're not then you are out of lock, for I can't accept you for this delicate money collecting responsibility under any circumstances. I only want serious, trustworthy and committed people to follow my plan.

Since the benefits of my program are so good, I don a menu on paying for those start-up essentials. I must ask all those that are very sorious about becoming a home based order processor to send me a deposit of \$34. It's a Meager sum, but I will insist on this amount. You will recover this amount on your first few orders received! I am only asking for this small sum, as a deposit. If I don't accept you at an order processor, I will return your payment immediately. This way you have nothing so lose.

Hopefully this amount will away many people that want something for nothing into not considering this method of collecting money for me. I don't want to be taken advantage of. What's fair is fair. I am only asking a small sum for expenses I have to put out to get you started. I don't need a lot of people doing this. I only need a small core of hard working individuals. All right, Lets get down to business.

I am sorry to have to do this but I must ensure that only serious and hard working individuals will become order processors for me. By the same token, I'll give you 30 days to evaluate this program. If you think you would prefer not to be a home based order processor then I will immediately return your payment. Like I said before you have absolutely nothing to lose. If you want to get in on this opportunity and start your own home business, I must hear from you right now. If you think this program is something you would like to do. I need your deposit of \$39.95 (\$34 plus \$5.95 \$&H) now.

Don't wait any longer and let this amazing opportunity pass you by.

Yours truly,

FREE BONUS OFFER: If you join us within 10 days we will include with your start-up kit (1). Our new "Discount Savings Card" worth over \$10,000: in savings. "Discover A Money-Making System So Powerful, It Pays You \$7,925 Every Month to Play on 31,240 Lottery Tickets, Even If Every Ticket is a Worthless Loser!"

- You Never Have To Buy or Sell Any Tickets.
- It Will Work Anywhere in the US Guaranteed!
- You Can Become an Instant Millionaire, Even if You Do Absolutely Nothing!
- You Don't Need a Computer, Internet Access, or Any Experience.
- So Easy, Anyone 18 and Over Can Do It.

Dear Friend,

You are about to discover a money-making system so powerful, that even if it sits on your shelf and collects dust, it can make you an instant millionaire in less than 30 days. There's no guarantee of getting filthy rich overnight, but what is guaranteed is that if you follow the easy steps shown, you could get paid up to \$7,925 every single month to play the lottery, even if you never win a cent in the drawings.

If you do win anything in the lottery, it's just gravy (pretty rich gravy I might add). You could be getting paid to play on up to 31,240 tickets in two of the biggest lottery drawings in the U.S. Jackpots are frequently over \$100 million dollars and if anyone of the 31,240 tickets you are playing on win, you get to keep 10 percent of the jackpot in addition to the \$7,925 per month you are already getting paid!

You don't need a computer to do this and it works from anywhere in the country, even places with no lettery or places that ban the lettery outright.

What you will discover has been flying secretly under the radar since 1996. I only got wind of it in August 2006. Since then, every month, like clockwork a check has shown up as promised, and it continues to get bigger and bigger each month, while I do practically nothing.

Listen to what Alice P, a 65-year-old retired grandma from Ohio has to say:

"Unbelievable! I made \$4,172 last month without budging from my chair and my income keeps growing every month!"

Or what about Scott B from Vinginia who pulled down \$3,258 from his kitchen table last month:

"This is like having a second income – without having to work. By following a simple process that takes less than an hour, my monthly check just keeps growing! \$3,258 Last Month!

Thousands of other people have been doing this since 1996, but they've just kept their mouths shut about it. Many are making a lot more money than Alice and Scott, but they don't want the whole world knowing their mailbox is an ATM machine.

Now it's time to spill the beans and let you in on the secret loophole state agencies don't want you to know about. The entire system is presented in a simple to understand booklet that you can read in one night and put into action immediately. Within 30 days you will be on your way to making up to \$7,925 per month, but at any time, you can become an instant millionaire.

If you act right now it will be rushed out to you by first-class mail and you only have to pay to cover the costs of production and fulfillment - just \$20. What you are getting has been kept under wraps for over a decade and is worth \$95,100 a year to you. For less than the price of going to the movies (or renting one from blockbuster and ordering pizza) you are going to receive a powerful money-making system that can pay for itself a hundred or more times over the very same month you receive it!

Now you are probably also wondering why in the world someone would share this program with you if it worked so great. After all, why would someone give something away so cheap that can put \$7,925 a month in your pocket? Wouldn't it make more sense to just keep it under wraps and just use it quietly?

The truth is that when you use this system, as you are making more money, my income grows too! Not only that, if you hit a \$100 million Powerball Jackpot (or any lottery winnings) you are going to get to keep half of it (still, \$50 million is not too shabby) and I'm going to get 10% (I'll take a measly \$10 million).

Now, can you see why I would just love it if you won anything in the lottery and also put insane amounts of money in your pocket each month even if you didn't win? This is win/win for both of us.

The coupon at the bottom of this page has a special reservation number on it that expires in seven days. If I do not hear from you by then, the copy sitting on the shelf reserved for you will be offered to the next person on the waiting list. Don't let this happen! To be safe, right now, right at this very moment, tear off the coupon below and order now!

P.S. The average grocery bill is over \$400 per month. The system also reveals a loophole to slash your grocery bill in half. No gimmicks, no rebates you have to mail in, no having to shop at certain stores or buy certain products. Buy the products you are already purchasing at the stores you already frequent and save right at the register. The savings alone are worth it.

The LAST Program®

Would you like to have 1000's of people paying you? Read on!

A MONEY MAKER that is MAKING HISTORY! You will NEVER Need Another Program! Here is WHY people lose money: EXAMPLE: 100 People in 100 different programs each mail 100's of copies of their own program. That adds up to thousands of flyers with many being mailed to the same people you mailed your program to. Which program to choose? With so many programs chances are only 1 or 2 "might" sign up with your program!

No matter how good your program, you are competing against 1000's of people!

SUCCESS: WHEN those same 100 people (above) in 100 different programs all join in the same ONE PROGRAM: You get paid by 100 people instead of 2! 100 x \$100 = \$10,000\$ PLUS: You get more money from people who join from mail by those who signed with you! FACT: People making money tell others who want the same! THOSE WHO WERE PREVIOUSLY COMPETING WITH ONE ANOTHER ARE NOW GETTING PAID BY ONE ANOTHER! With 1000's joining the SAME program everyone makes a lot of money!

100's of people send you \$100 each = \$1000's plus more \$ from those who follow!

There are over 25 MILLION people with a Home business who have not seen this!

This Program is destined to attract MILLIONS OF PEOPLE WHO DON'T KNOW ABOUT IT yet!

Thousands of them could be paying you in this program!!

One Problem MYOPIA! Many of us see ONLY The PROGRAM WE ARE IN! We believe that our program is better, but the TRUTH is...

HUNDREDS of other programs are Taking Business Away From Us Every Day!

Would you like to have THOUSANDS of people paying you?? Here is your chance!

The following strategy can GUARANTEE that you will make money.

The LAST Program employs a "ONE PROGRAM STRATEGY" that has

EVERYONE WE MAIL TO joining together with us in ONE program! Then a

wonderful thing happens... We ALL GET PAID by the growing number of
new members joining every day!

It doesn't get any better than this... More Money coming in every day. Over and over.

YOU ARE ONE STEP AWAY FROM MAKING MORE MONEY THAN YOU EVER DREAMED OF!

Step #1. Join "The LAST Program" Order Form on Page 2 (reverse)

#2. When you receive your last Program originals, copy and mail many as you can.

#3. \$\$\$ Start counting your Money!

Quick And Easy Paella Ingredients

Ingredients

Chicken broth

Saffron threads Smoked paprika

Parsley leaves

Frozen peas

Roasted red peppers Parsley leaves Frozen peas Frozen peas

Roasted red peppers

Olive oil

Shrimp Roasted red peppers

Spanish chorizo Chicken breast

Salt and black pepper

Onion

Red pepper

Instructions

Prepare the broth: Combine chicken broth and saffron in a medium saucepan. Bring to a simmer and keep it warm over low heat. Do not boil.

Season the shrimp: Rise and pat dry the shrimp with a paper towel. Season with salt and pepper to taste. Set aside.

Sauté the chorizo: In a large paella pan, or a very large skillet, heat 2 tablespoons of oil over medium heat. Add chorizo to the skillet, sauté for 3 minutes, stirring occasionally. Remove from skillet and set aside.

Cook the chicken: Add chicken to the skillet and cook for 5 minutes, or until lightly browned and cooked. Season with salt and pepper to taste.

Add veggies: Add onion and red pepper; cook for 5 minutes, stirring occasionally. Add garlic; cook 1 minute.

Add rice; cook for 2 minutes, stirring constantly.

Stir in hot chicken broth, cooked chorizo, lemon juice, paprika, and 2 tablespoons olive oil; mix to combine. Reduce heat to medium-low and bring to simmer.

Cook the rice: cook, for 10 minutes, or until the rice has absorbed most of the broth and almost tender. Scatter snap peas over the rice. Reduce heat to low, cover with foil or a lid, and cook for 5 minutes.

Add the shrimp: After 5 minutes, arrange shrimp and roasted red pepper strips over the rice, cover and continue cooking for 5 minutes, or until the rice is tender. Remove from heat and let stand, covered, for 10 minutes.

Garnish with chopped parsley. Serve with lemon, if desired.

Most MLM or Networking products are of debatable value. Option 3's product is U. S. Gold and Silver Eagle Bullion coins* whose weight and content is guaranteed by the U. S. Government.

OPTION 3 IS ROCK SOLID!

Combining "networking" with the Option 3 "leveraging" plan, makes it possible to obtain nearly \$100,000 in earnings from an initial deposit of ONLY \$100. You are holding Financial Independence right here in your hand!

Option 3 has made the acquisition of these beautiful gold and silver eagle coins available for the average person. With the combination of "layaway, leverage and sweat equity" they can be acquired for 40¢ on the retail dollar.

Each individual plays a direct role in the rate they earn their beautiful coins.

Option 3 has been helping people acquire these precious coins since 1990. In 1990, gold and silver values were approximately \$300 and \$3 per ounce, respectively. Today their values are approximately \$1,745.00 and \$37.00 per ounce respectively.

The value of American Gold and Silver Eagle coins has not only kept pace with inflation, but has far exceeded it. Gold has out-performed the NASDAQ, DOW, and S & P 500 over the past 10 years.

When people ask, "Why would anyone want to acquire gold and silver coins?" the obvious answer should be..."WHY WOULDN'T YOU?" Earn Cash Gold and Silver

American Eagle Bullion Coins are minted by the U.S. Treasury; their weight, content and purity is guaranteed by the U.S. Government. There is no "debatable value" with this product. Nothing else provides such a high degree of insurance against financial panies...offsets the shrinking value of currencies...is so pure, lustrous, dense and universally accepted as a paragon of absolute value. As demand for Gold and Silver increases, those holding it will become wealthier than they can imagine.

Don't be swayed by the "pills, powders, and promises" of other programs....protect yourself! With global events and economic uncertainty... NOW is the time to acquire American Eagle Gold and Silver Bullion Coins. Our product offers a "safe haven" to preserve and grow your hard earned dollars, a "lifeline" to protect your purchasing power.

That's all there is to it! Then, just sit back and wait for the money to start pouring in. The program is 100% CHEAT PROOF – All funds are paid by money orders made out in your name, no one can cash them but you and no one can join without paying you. Once you join you will receive full addresses and phone numbers of your sponsor and everyone who joins in your downline as they join. This is not a gifting program. You are purchasing a Marketing Kit that will benefit you with any mail order program.

IF YOU ARE SERIOUS about making a lot of money in a short time with very little effort or out of pocket expenses, then this program is for you. You only need 4 responses to start making the kind of money that most people dream of. Can you afford not to join this program?

EXAMPLE WITH ONLY 4 RESPONSES:

		UNLY 4 RESPONSES:	DULLER 2. VOI	LDAN #200	TO EACH OF
PHASE-1: YOU PAY \$20 TO EACH OF YOUR UPLINE. TOTAL \$100 MAIL TILL YOU GET 4 RESPONSES		PHASE-2: YOU PAY \$200 TO EACH OF YOUR UPLINE. TOTAL \$1000 NO MAILING REQUIRED			
1.	4	THEY MAIL TILL THEY GET 4 & ETC.	1.	4	
2.	16	ter 12 64	2.	16	
3.	64	tt +1 18	3.	6-4	
4.	256	YÓU	4.	256	YOU
5.	1024	RECEIVE	5.	1024	RECEIVE
TOTAL:	1364 X	\$20 EACH = \$27,280	TOTAL	1364 X \$2	00 EACH = \$272,800

This is an example only. You may make more or less depending an your efforts.

PHASE-2 is where the program really kicks in. This is where your downline all start sending you \$200 Money Orders. We suggest you enter Phase-2 as soon as you've received your first \$2000 in Phase-1. Your downline will follow you into Phase-2. They have no choice if they want to receive their \$200 payments. You will have almost 0% dropouts in your downline because they will miss out on a lot of money if they don't follow you into the second Phase. Remember, no mailing is required in Phase-2, your downline will automatically follow you.

We're not going to promise you a million dollars or how to get rich quick like a lot of the programs do and then pay little or nothing at all. We are showing you realistically how you can make over \$300,000 in a very short time. Let the numbers do the talking, just mail until you sponsor 4 people. You are not limited to just sponsoring 4 either, you may sponsor as many as you like. Take a moment, do some math and see what you could make if you sponsored 6, 8, or even 10 people into the program.

YOU'LL RECEIVE ALL THESE BENEFITS WITH YOUR MARKETING KIT:

- *All payments are mailed to you on a weekly basis.
- *Camera ready copies of this program with your name in the #1 position plus a personalized cover letter.
- *List of proven mailing list companies.
- *Tips on increasing your mailing response rates.
- *Our mailing address, phone number & email address will be included in your Marketing Kit. We will always be here to answer your questions or offer support in any way we can. You will never be alone in this program. Mountain Marketing has no secrets. We manage our program with the utmost Honesty & Integrity, GUARANTEED.

Just remember this friend. You cannot lose with this program if you mail until you receive 4 responses. Four (4) is all you need, then just sit back, your downline and the money will follow you. Don't hesitate, Join now.
