How to Choose, Start, and Succeed in Your Own Part-Time Business

by Dr. Kevin Nunley

This is a great time to start your own business, even if you have never thought of yourself as an entrepreneur. The economy is getting tighter, many companies are laying people off, and a paycheck doesn't go as far as it used to.

Meanwhile, Internet sales and mail order are booming. We're also seeing record numbers of new home-based businesses starting and succeeding. Getting in on this trend now could be the smartest thing you do in the year ahead.

Here are some common sense tips to help you pick the right business, get off on a good foot, and succeed over the long haul.

Choosing Your Business

One of the reasons a great many businesses fail is the owner jumped off into a field they didn't know much about. Your best bet is to choose a business you have worked in as an employee. Otherwise, plan to spend time researching the topic in libraries and in conversations with people who are already in your chosen industry.

Keep expenses down to a bare minimum in the beginning. More than a few new start-ups blow their cash on a big office, fine furnishings, and new computers. I started my business years ago from a spare bedroom. A writer friend realized her apartment was too small to house her business and rented an unused room in a nearby office.

Plan on running your business part-time for the first year while you keep a regular job. This may seem like the slow way to get your project going, but a regular paycheck will ensure you have plenty of time to give your business its best shot at succeeding. Nothing torpedoes a new business like expecting it to profit huge amounts of cash within the first six months.

The easiest and cheapest business to start is a service you can provide to other businesses. You may need little more than an email address and a telephone number to get the ball rolling.

If you worked in accounts receivable for several years, help businesses outsource their bookkeeping chores. A woman in my town turned her 20 years of office experience into a thriving home-based business by offering to help small businesses straighten out their books. She placed ads in the neighborhood newspaper and arranged to be interviewed for an article.

~ Continued next page...

Internet referral programs and mail order are two industries that are booming, easy to get into, and, while they may not make you rich, are a good way to get started in your own business. Many networking and reseller firms have changed their strategy from “bug your friends” to “network on the Net.” These can be great ways to get experience selling established products in an organization set up to encourage home-based business. Look for an opportunity that has been in business for at least three years.

Market in Many Ways

The key to your business success will likely be your ability to market your products and services. Without marketing, nothing sells. It helps if you set up your business from the beginning with marketing in mind.

Your business should give you the opportunity to promote in several ways:

1) Use a web component. The Internet lets you reach thousands of targeted prospects at the cheapest price in advertising history. Put up your own web site. Fill it with good information, answers to the kinds of questions your customers and prospects ask. Build your own opt-in email list to stay in touch with customers. Nothing works as well or as cheaply to build your reputation.

Work to get your site listed on the major search engines. The top 2% of businesses on search engines account for about 90% of the Net’s money-making sites. Advertise your business in ezines that reach your best prospects. Some newsletters let you reach tens of thousands of potential customers for \$30 to \$40.

2) Your business should also take advantage of face-to-face marketing. When you talk to people in person, it is harder for them to walk away without buying. One man, an excellent sales person who closes more than 90% of all sales, simply strikes up a conversation with people. Near the end of the conversation he will mention his offer. People almost always buy.

3) For all that has been said about the Internet, the good old telephone is still the center of our business world. When you spend time talking with someone on the phone, you build a personal bond with them that often leads to a sale.

Before you get on the phone with a prospect or customer, quickly jot down what you hope to accomplish with the call. Don’t let more than two or three minutes of conversation go by without making an effort to achieve your goal. This organized approach will help you stay away from long days on the phone without much to show for it.

Be Determined

It doesn’t matter what business you are in, there will be days when you feel like you are spinning your wheels. Realize that for every up trend there will eventually be a down trend. When sales are slow or customers are difficult, remind yourself that a turnaround for the best is always just beyond the bend.

Much of business success has to do with simply showing up for work every day. When people see you or hear about you month after month, then year after year, your consistent presence builds customer confidence. Confidence turns into loyalty. Repeat customers and good word of mouth will insure you get repeat sales for as long as you own your business.

Hot Dog Mummies

INGREDIENTS

Deselect All

One 8-ounce tube crescent dough

8 bun-length hot dogs

1 slice white American cheese

Ketchup and/or mustard

DIRECTIONS

1. Preheat the oven to 375 degrees F. Line a rimmed baking sheet with parchment paper or a silicone mat.
2. Open the crescent dough tube and unroll the dough onto a work surface. Pinch together the seams to create a rectangle. Cut the dough lengthwise into 8 long strips.
3. Take 1 hot dog and 1 strip of the dough and wind the dough around the hot dog while pulling gently to stretch the dough. Crisscross the dough every so often so it looks like mummy wrappings. Near the end of the hot dog, leave a narrow strip of hot dog exposed so you can add eyes after baking. Place the wrapped dog on the prepared baking sheet and repeat with remaining dough and hot dogs. Bake until golden brown, about 15 minutes.
4. While hot dogs bake, use the narrow end of a wide piping tip to punch out 16 small rounds of cheese for the mummies' eyes.
5. Remove the hot dogs from oven. Using a toothpick, smear some ketchup on one side of each cheese round and "glue" it to the open area of the hot dog to create 2 eyes. Using the same toothpick, put a dab of ketchup or mustard in the center of each eye to create a pupil.

"Your Big Mail sent FREE to 60,000"
 ...and that includes up to ten 8½x11 circulars.

Big Mail USA

Your "Big Mail" is any direct mailing packet you would send to prospective opportunity seekers and buyers...and we all know how expensive THAT is.

The cost of printing, a good mailing lists (if you can find one) and postage is ridiculous so why pay it? Use "Big Mail USA" instead — **SAVE MONEY.**

You can promote your Big Mail of up to ten pages with a low cost 1" display ad that we will typeset and send to you. *This is the only logical way to distribute your circulars and offers.*

When you use "Big Mail USA" — we also send your circulars to over 20,000 of our mail order opportunity seeker e-newsletter subscribers weekly for **TEN weeks. A \$120 value alone!**

To get in on this fantastic opportunity you have us place your circulars on www.BigMailUSA.com as a Big Mail which can consist of up to TEN 8½x11 circulars. More can be added later for a low fee.

Your circulars will be exactly as you send your black and white camera ready copies to us. We will reproduce them exactly "as is" and placed on the internet with your own unique web address. All your circulars will be promoted and linked on your very own very professional **FREE** web page.

You can use the 1" display ad we typeset and send you with your checking copy to promote your new web page and all circulars...and this means you do not need Internet access or even a computer to enjoy the savings of this great ad service.

You save some serious money while enjoying the super cash commission you get from the **FREE DEALERSHIP** we include for this service.

You do not have to send ten pages...it can be two, five or the full ten to get your mailings started. Dealership based on number of pages - Full dealership when ten circulars ordered, limited dealership if less ordered.

Your unique web page and address will remain on the web for as long as you want it there — no time restraints...and the best part...**NO CHARGE!**

All your circulars will be described on your web page and prospects simply click on a link and your circulars will open up for them, one at a time. Your circulars can be read and printed out right on the spot so orders can be sent to you fast.

We also print and mail your circular's web address to 5,000 prospects monthly for three months.

All these special free bonuses make this one of the best money saving, money making dealerships in mail order.

You earn money and direct prospects to your web site by just promoting the small, inexpensive 2" display we typeset and send you...as well as use this circular as your offer, if you wish. We typeset your name and address below where ours now appears as dealer. **WHAT A DEAL!**

The low fee for all this is based on the number of circulars you want to start your Big Mail with - more can be added later, at any time. You will receive full details on adding more low cost (50% off for dealers) circulars to your Big Mail USA.

Time to get started! You want to get your circulars to opportunity seekers as soon as you can — and also start earning great commission with your dealership.

NO adult, gaming, phisic, racial or offensive ads accepted.

OK! I don't know how you do it, but I like it!

This is my order for:

- o **TWO** pages (8½x11): \$72 (\$25 each thereafter)
- o **FIVE** pages (8½x11): \$150 (\$20 each thereafter)
- o **TEN** pages (8½x11): \$200 (\$15 each thereafter)
